State Requests Relocation Of Business Signs

First of July Set as Final Date for Moving Signs

A number of merchants along main street are faced with the necessity of reinstalling their advertising signs to meet legal requirements pointed out recently by the state division of highways.

In letters to the individual merchants and to the Truckee Chamber of Commerce, A. M. Nash, district engineer for the division, has given the sign owners until July 1 to make the required changes.

The letter to the chamber said in part:

On Right of Way

"There are a number of advertising signs along the highway which now encroach on our right of way. As is generally known, the location of advertising signs is regulated by law, and it is obvious to the public and all interested parties that these signs do not conform to regulations."

The letter goes on to point out the necessity of relocating the signs not alone to meet the legal requirement but to improve the looks of the street.

While directors of the chamber did not take official action on the request at Tuesday night's session, it was generally agreed among the members that the request is a fair one and that the chamber will support the proposal.

Cites Law

"So there may be a clear understanding of our requirements," the letter concluded, "the pertinent regulation is as follows: 'Structures advertising the business conducted on the premises may overhang the right of way within established business districts if covered by an encroachment permit. Such display must be structurally adequate and be attached to the building, or otherwise supported on private property. Displays so authorized may extend to, but not beyond, the curb line with at least a twelve-foot sidewalk clearance.' "

In the same letter, Nash expressed appreciation for assistance in controlling parking during snow removal from the parking areas.

Thanks Chamber

"Incidentally," the letter said, "we appreciate the assistance of the chamber of commerce in controlling parking to permit the removal of snow from parking areas, and we can assure you that the removal of snow from within our right of way will be continued to the full extent of our facilities."

All of the merchants whose signs do not now meet requirements will be, or have been, notified by the division.

FISH PLANTING TO BE DECIDED AT LOCAL MEET

Members of the Truckee Outdoor Sportsmen, and others interested in the program, are urged to attend the annual fish planting allotment meeting for Nevada and Placer Counties east of Donner Summit, which will be held on Thursday, March 19, in Capitol Hall, to convene at 10 a.m.

A letter from Allan Pollitt, assistant superintendent of fish hatcheries, advised of the meeting at which recommendations for fish planting, stream improvement and other management problems will be discussed.

A regular meeting of the Truckee Outdoor Sportsmen will be held Friday evening, March 13, at 8 p.m. in Capitol Hall. Johnny Ciardella, president, will conduct the session which all interested sportsmen and the general public are invited to attend.

MEMBERS PLAN TO ATTEND ELKO MEET

TAHOE CITY— Tahoe City Rotary Club members at their meeting Tuesday night made plans for attendance at the district convention in Elko, Nev., April 26, 27 and 28. Martin Spitsen was welcomed back after being "out" of the region for some time and it was reported that Charles Warner was on the sick list, with doctor's orders to "take it easy" for a couple of months.

During the evening, colored motion pictures of the California state park system were shown to club members, four visiting Rotarians and three guests.

Weekend in Valley—

Mr. and Mrs. Charles R. Heller were Stockton and bay district visitors last weekend.

Expected Home—

Humbert Ciardella Jr. is expected to arrive home within a week, on leave from active U. S. Navy duty.

Industrial First Aid Class To Be Started Mar. 19

An American Red Cross First Aid training course for men of the forest products industries in this area has been announced by Earl Spitzer, safety engineer of the state division of industrial safety.

The standard 16-hour course will be given in six three-hour sessions starting Thursday, March 19, between 7 and 10 p.m. at the high school, and continuing every Thursday until completed.

This "First Aid for the Injured" course is part of a state-wide program, sponsored by the Forest Products Industry as well as the connected with the industry, in A.F. of L. and C.I.O. labor unions an effort to stop or at least reduce the terrific loss of life and limb in the logging woods, sawmills and lumber yards.

George Bergen, high school principal here, is cooperating with the state in the movement and has assigned Gordon Butterfield as Red Cross instructor. Lew Baysinger, Stockton Box superintendent, and Crandall Brothers are working with Spitzer in an effort to have as many workmen as possible take this vital course.

Men in railroad service as well as other industries are welcome o attend.

TWO NABBED AS ESCAPEES FROM AIR FORCE BASE

James Lindsay, 19, and Joseph Russell, 17, were apprehended yesterday by Constable N. F. Dolley and Deputy Sheriff Roy Waters and have been surrendered to military authorities from Parks Air Force Base as suspects in an escape from the stockade there and for theft of a car from Livermore, registered to Robert E. Eckert.

The two are accused by local officers of abandoning the car near the junction of Highways 40 and 20 after it ran out of gas. They secured a ride to Truckee but their actions created suspicion and the officers were notified.

The two were located along the highway east of here and returned to jail. They were without identification. A check with Parks officials indicated the two broke from confinement there Tuesday night. The pair had a record of prior escapes, Dolley was told.

CREDIT CARDS AT LOCAL CAFE

Earl Brown, operating Brown's Cafe, announces that he is the exclusive local restaurant affiliated with the North American Merchants Association with the privilege of honoring valid credit cards from major oil companies and others for meals.

The local restaurant man said that aside from the major oil companies, charge-a-plates and credit cards from the Bell System, Statler Hotels, Western Hotels, Hilton Hotels and air and rail will be accepted for credit identification and reference purposes.

BAYSINGER SHOWS LUMBER PICTURES

Lew Baysinger, Truckee manager for the Stockton Box Company, last night talked before a joint meeting of the Lions, Rotary and 20-30 Clubs at the high school cafeteria. A film on "Western Pines," showing the process of handling from the tree to the finished product, was of especial interest.

Charles Osburn, president of Rotary, presided.

TWO BOYS ARRIVE AT HOSPITAL HERE

Two boys arrived at Tahoe Forest Hospital last week to swell the population of this area. Mr. and Mrs. John Quartley of Carnelian Bay welcomed a son on March 4. The lad has been named Warren and weighed 7 pounds 11 ounces at birth.

Mr. and Msr. Alvin Nix of Truckee named their son Kirk, following his birth March 5. He tipped the scales at 7 pounds and 8 ounces.

School Skiers End Season In Local Contests

Field Days Are Held After Conclusion Of Lessons

The Tahoe-Truckee High School finished its inter-mural ski program for this season with a field day at Squaw Valley March 4. Slalom races were held in beginners, intermediate and advanced classes. The top three in each class were as follows, in order:

Beginners, girls: Joan Stallard, Clarita Richards, Loretta Conyers. Boys: Ron Pelley, Bill Wright, Ron Kirby.

Intermediate, girls: Ellamae Mercer, Kris Soltau, Linda Frodenberg. Boys: Bob Sach, Ken Lavery, Bob Wofford.

Advanced, girls: Penny Jenkinson, Sharon Pace. Boys: Jerry Quam, Gary Anderson, Craig Pingree.

The elementary schools of the district also wound up their ski activities for the year by enjoying their Squaw Valley field day on March 3. Each ski class had its own slalom race under perfect weather conditions. The winners were as follows:

Beginners, girls: Judy Vaughan, Truckee Elementary. Boys: David Woodward, Donner Trail; Allan Young, Truckee; Paul Mason, Kings Beach.

Intermediates, girls: Gwen Mizner, Kings Beach; Carol Ann Quilici, Truckee; Dorothea Frey, Truckee. Boys: Kenny Wilson, Tahoe Lake; Billy Connors, Tahoe Lake; Fred Conyers, Truckee.

Advanced, girls: Madelaine Tschopp, Donner Trail; Delia Tschopp, Donner Trail; Lily Cushing, Tahoe Lake. Boys: Jimmy Schull, Donner Trail; Billy Cadjew, Truckee; Strohn Woodward, Donner Trail.

BASKETBALL TEAM LOSES TWO GAMES IN TOUGH WEEK

The Truckee town basketball team goes into the Fallon tournament tonight after its worst week this season. The local lads dropped their only two games of the week Friday and Saturday nights. First the Colfax Fireballs measured them for a 36-44 lacing and then the Marines landed from Hawthorne and got the situation in hand to the tune of 56-65. The hosts kept both games interesting, however, with the following quarter scores:

Truckee	11	15	26	36
Colfax	10	19	27	44
Truckee	14	29	40	56
Hawthorne	13	35	47	65

Tonight at the tournament, the Truckee travelers must overcome Western Mercantile of Sparks to remain in the running.

RULERS NAMED FOR ARTS BALL

Upper class nominations for the king and queen to reign at the Art Ball, to be held tomorrow night at 8 p.m. in the Tahoe-Truckee Unified High School include Irma Nauss, Ruth Osburn, Charles Smith and Robert Tonini.

Wyethia Club members who will be hostesses at the ball will include Mesdames George Kaspian, Walter Loynd, E. L. Loynd, Nat Quilici, Doyle McGwinn, Rex Reid, Cliff Ellis, William Englehart Jr., Fred Pedley. A floor show, crowning of the king and queen and awards for costumes and art work will vie for interest at the evening affair.

Tomorrow afternoon between 2 and 4 o'clock, the public is invited to the exhibition of art work of the high school students.

SENTENCED

Frank Quinn, 55, Hirschdale watchman, was sentenced to pay a fine of $50 or spend 25 days in jail following his conviction on a drunk driving charge before Judge F. W. Wilson yesterday. He was arrested by Deputy Sheriff Roy Waters.

From Lindsay—

Mrs. Robert Gifford and daughter, Edna, were business visitors from Lindsay this week.

Sun Beams

by WALTER BARRETT

Along about this time every year, Truckee plays host to a hoard of chiselers which spring time brings to the mountains. We refer to the swarm of door-to-door suitcase peddlers intent upon one definite object — to separate the victim from his cash. These phonies have varied methods of approach and "guarantee" to save their unsuspecting victims no small amount on anything from a patented can opener to a complete home overhaul. There are no doubt many honest, forthright peddlers, but it becomes more and more difficult to tell one from the other. Here in Truckee, however, a program has been set up which, if followed, will prove a money and embarrassment saver to all residents. Before you permit the peddler to start his well rehearsed and convincing argument, ask for his clearance from the chamber of commerce. If his intentions are good, he will not object to procuring this authorization. If, on the other hand, he stalls for a fresh opening, you may well be assured that he is only attempting to chisel the legitimate local business out of a just sale or maybe trying for a quick buck. In virtually all cases, you will find that your local businessman in the long run is your best bet. He must be dependable or he couldn't stay in business.

The Red Cross is conducting its annual fund drive. Do what you can to assist.

CHAIRMEN WILL HEAD RED CROSS DRIVE IN AREA

With the current Red Cross drive well under way, district chairmen have been named for their various localities by Mrs. Glenn Miller, who is in charge.

Mrs. Al Pfaendler will visit the business district; Mrs. Harold Pabst at Boca; Mrs. Carl Painter, West Main Street; Mesdames A. Benjamin, David Rose, and Bruce Quartly, the hill streets north of Commercial Row;

Mrs. Rex Reid, Donner Lake; Mrs. Arthur Couillard, Soda Springs; Mrs. N. Diaz, East River Street; Mrs. Henry Beck, Meadow Lake Park; Mrs. Walter Loynd, Gateway Park; Mrs. Otto Frederick, Norden;

Mrs. Fosten Wilson, chairman of the fund tables at Bank of America and the post office; Mrs. Lloyd Van Sickle, Hill Top.

SUNSHINE GIRLS SPONSOR SALE

Cakes and candy will be on sale in the Truckee Mercantile on Saturday, March 14, beginning at 10 a.m. to swell the fund of the Donner Council No. 13, Pythian Sunshine Girls. Plans for the sale were made at the March 4 meeting of the group, the desserts to be made by members of the Pythian Sisters Lodge and mothers of members of the Sunshine Girls.

Pearl Heller, royal adviser, will conduct drill practice at the next council meeting to be held at 7 p.m. Wednesday, March 18.

FIREMEN SPONSOR DANCE APRIL 25TH

The Truckee Volunteer Fire Department, meeting at Cozzi's Cafe Tuesday night, announced they will sponsor a public dance and carnival here April 25. Chief N. F. Dolley appointed a committee to work with him on details of the program, including W. M. Englehart Sr., W. M. Englehart Jr., R. W. Seibold and Steve Kolos.

All proceeds over costs from the affair will go to retire the debt against the department's rescue unit.

Family Party—

Mr. and Mrs. Lloyd Everett and Mr. and Mrs. V. C. Shattuck were Grass Valley visitors Sunday when the birthdate of Mrs. Shattuck's mother was celebrated at a family reunion.

Spring Storms Add Light Snow In This Region

Precipitation Being Swelled As Snow Showers Hit Sierra

Typical spring weather with intermittent snow showers, scattered clouds and light winds has featured the weather picture here this week.

The Tahoe National Forest Service here reports 22 inches of snow on the ground Wednesday, compared with 81 inches on this date last year.

Precipitation for the week was .42 of an inch with five inches of new snow, nearly all of which had melted, to bring the seasonal precipitation to 20.53 inches. Normal for the end of March here is 23.73 inches and with more than half the month remaining, that total will likely be reached.

More than a foot of new snow fell on Donner Summit to create ideal skiing conditions throughout the region. The chain control was off and on, depending upon the results of the intermittent snow squalls.

SENATOR SPEAKS AT MEETING OF TRUCKEE P. T. A.

"Why Join the P.T.A." was the subject included in the talk of State Senator Harold Johnson of Roseville at the March 9 meeting of the Truckee Elementary Parents and Teachers Association. The topics of school legislation bills and a report on plans for U. S. Highway 40 were also explained to the interested group.

The high school choir, directed by Joseph Mustol, sang, with solo parts for two selections being given by Tom Grow and Evelyn Stinchfield, with Dorene Quam as accompanist.

Mrs. Rex Reid, outgoing president, gave a speech of appreciation to her fellow workers and in turn was presented with a gift by Lynn Kishbaugh in behalf of the members. Other outgoing and incoming officers were given corsages.

The sixth grade, taught by Kishbaugh, received the attendance award. Mesdames Charles Kay, George Kaspian, Al Wakefield, Heslin Cardinal were on the refreshment committee.

Mrs. Howard Newsham, incoming president, will conduct the meeting to be held on Monday, April 6.

MRS. DIGESTI IS HONORED AT AFFAIR

Mrs. Loren Russell and Mrs. Al Wakefield were hostesses at a surprise shower, given in the home of the latter, on Monday evening to honor Mrs. Harry Digesti. Games were enjoyed and after Mrs. Digesti opened her gifts, refreshments were served, appointments carrying out the chosen theme.

Those invited included Mesdames Joe Digesti, Anna Franceschine, Kenneth Hedlund, Pearl Phipps, Lorrin Ferdinand, Omar Alexander, Heslin Cardinal, Tony Pace, John Street, Jack Ellis, Kenneth Foster, Clarence Osburn, Charles Osburn, Robert Barber.

JERRY NEUGEBAUER OBSERVES BIRTHDAY

Jerry, who was three years old March 6, celebrated the event at a party given by his mother, Mrs. Jack Neugebauer. The St. Patrick idea was used in the favors. The decorated cake and other refreshment were served after the little boy had opened his presents.

Those sharing the afternoon were Mrs. Loren Russell and children, Linda and Randy; Mrs. Ken Hedlund and Karen; Mrs. Cliff Ellis, Debbie and Chris; Mrs. J. E. Walker, Ronnie and Karen; Mrs. Lorrin Ferdinand and Sandy; Mrs. Gilbert Kumle and Chris; Mrs. Lloyd Stanborough and Monte Neugebauer.

Return Home—

Mrs. Gregory Browne and son, Marvin, were recent visitors in San Francisco.

Trophies Show Efforts Of Local Dog Race Driver

Nearly a score of trophies which grace the office window of the Sierra Sun this week represent many long, grueling miles of running under the most difficult conditions and in some of the most rugged competition possible.

They are rewards received by Lloyd Van Sickle, nationally known dog trainer and racer.

Prominent in the collection is one recently awarded the winner of the North American Dog Derby at West Yellowstone, Montana. Others are for winning equally important and widely publicized dog races.

While Van Sickle won most of the trophies, two were earned by his wife and their daughter, Sandra, in competitive events.

Unable to compete in the Alaskan race this year, Van Sickle nonetheless was represented and a former Truckee couple, Mr. and Mrs. Joe Wells, took top honors in both the men's and women's events with teams trained and supplied by the local man.

Van Sickle announced there would be no more races this year but he is anxiously awaiting the 1954 schedule when he will again enter his teams in the western events.

TRAFFIC SAFETY ESSAY CONTEST CLOSES FRIDAY

The traffic safety essay contest for high school students will close tomorrow at noon.

Judges who will pick the two winning papers tomorrow evening at the school library will be Roy Stallard and T. F. Sheehan of the highway patrol; Cliff Ellis, president of the chamber of commerce; Mrs. Arlene Dunne, safety subjects teacher; Mrs. Rex Reid, vice president of the sponsoring Wyethia Club. The essays are divided into two classes—one for the three lower and one for the three upper grades of the school.

A safety shelf has been set up at the school library.

LOCAL SKIERS WIN TOP HONORS AT AUBURN SKI MEET

Truckee and Lake Tahoe came away with most top honors at the Auburn Ski Club meet at Cisco Sunday, although yielding first place in Class A jumping to Johan Solvang of Los Angeles' Alpine Ski Club. In second place was Herb Copeland, Truckee man, now stationed with the Marines at Pickle Meadows, who was closely pressed by Bill Campbell of Truckee, skiing under the colors of the Lake Tahoe Ski Club.

Jim Morhain of Truckee, also jumping for the Tahoe club, was third in Class B. The Lake Tahoe Ski Club swept Class D with Jay Stuart, Rex Donaldson and Bob Sanford finishing one, two, three. because of the illness of entrants.

GIRL SCOUTS TO OBSERVE FOUNDING

National Girl Scouts and Brownies Week will come to a climax today with a special meeting and speaker in honor of the birthdate of Juliette Low. The local troops will march and hold award presentations, new members will receive their pins after pledge and proficiency badges of merit will be given Girl Scouts. Mesdames Jack Ellis, Fred Pedley and Harry Barnes will conduct the program.

REGIONAL MEN ON ASSOCIATION

William Rutherford of Donner Summit has been named a director of the 49er Trails Association which met in Reno Tuesday and authorized a budget of $2500 to encourage travel over Highways 30 and 40. Attending from Tahoe Vista was P. M. Burroughs of the Lake Tahoe-Sierra Chamber of Commerce. The 49er brochure is out and available at the Tahoe chamber office. Other delegates attended from as far away as Wyoming.

Robbers Nabbed In Sierra Admit Local Burglary

Eastern Trio Apprehended In Mountain County Road Block

Three men, arrested in a sheriff's office road block at Sierra City near Downieville following a series of burglaries at that Sierra County town, had confessed, Constable N. F. Dolley has been advised, the robbery of Rose Brothers Market here ten days ago.

The trio gave their names as Thomas Godfrey, 26; Raymond Stout, 29, both of Ohio, and Reinhardt Voegtlin, 26, of St. Louis, Mo., all on parole from a federal prison in Indiana.

Underwear and bobby sox, taken from the Rose market here at the same time $426 in cash was stolen, were identified as being from the local store stock by Dave Rose, manager. Sheriff Dewey Johnson of Sierra County told Dolley the men gave up without a struggle.

The officers in the road block found five guns and other weapons in the vehicle, the local officer was advised.

Sheriff Johnson told Dolley that the three admitted robbing "a big market in Truckee" and also said they looted Ken's Bar the same night.

A drug store, grocery and garage were looted in Downieville, the sheriff told Dolley. Articles taken from the three establishments were found in the possession of the men, he added. They pleaded guilty to burglary charges and were to appear today for sentencing before Superior Judge Raymond McIntosh in Downieville.

Dolley said it is unlikely the accused will be returned to Nevada County, although charges have been officially filed by Rose.

Johnson said they also admitted burglaries at Lovelock, Nevada, Santa Barbara and other California points.

Voegtlin's 22-year-old wife, Charlotte, was detained temporarily but no charges were placed against her.

MEMORIAL RACE ON DONNER TO BE MARCH 21ST

SODA SPRINGS— The Donner Trail Memorial Race sponsors hold their fifth annual benefit party at Donner Ski Ranch Wednesday, March 18. The buffet, furnished by all lodge owners in the area between Donner Lake Lodge and Nyack Lodge at Emigrant Lodge, features the party. This benefit affair is becoming known as one of the most cooperative civic get-togethers ever held by a community.

Each lodge and business operator in the area not only contributes to the success of the party but closes his place of business for the evening of the festival so that all evening's receipts go toward the promotion of the famous 26-mile Donner Trail cross country ski marathon, being held this year on March 21.

The 50 cents admission fee entitles the party goer to a generous share of the buffet.

GIFTS PRESENTED AT TAHOE PARTY

Mrs. John T. Rablin opened a shower of gifts at a party given by Mrs. A. L. Sanford in Tahoe City Wednesday evening. The friends invited to greet the honoree were Mesdames Alona McCrary, Irma Notley, Margaret Copeland, Alice Rau, Yolanda Olano, Vina Clepper, Alice Quilici, Varien Waters, Emma Buell, Jean Pace, Hannah Stewart, Rose Waters, Melba Giovannoni, Laura Smith, Elizabeth Bavier, Lucile Bick, Stella Thomas, Marie Street, Jacqueline McGlade, Vera Davidson, Zula Rablin, Miriam Zwarg, Lavena Rablin.

ART CLASSES FOR WYETHIA MEMBERS

Members of the Wyethia Club who are interested in knowing more about art, art crafts, gardening and floral arrangements may join study classes in the subjects. Mrs. Doyle McGwinn, art chairman may be contacted by any club member wishing to donate time to model for local artists, the work to be done in charcoal, water color, pastels, oil and design.

Mrs. Jack Neugebauer will take the names of those interested in joining evening classes, to be held in the club edifice, for ceramics, copper, leather and rug making.

Mrs. Ray McCarty, chairman of the garden section, and Mrs. N. F. Dolley will give instruction in outdoor garden planning and house floral arrangements and for entries in a flower show to be later sponsored by the club.

Tahoe Topics

by ETHEL J. VERNON

It's only a little while now until Easter, which it is hoped will dawn bright and clear this time, with the reality of spring on its wings, and the promise of a matchless mountain summer to come. This week came a communication from Dorathe Porter, wife of Bishop Noel Porter, from their winter home in Sacramento. She sends us an "Easter Thought" in her own lovely poetry, surrounded by Easter lilies, and writes in her letter, "Soon we will be up in God's Country again, as we like to call Tahoe" and indicates that their return to their lakeshore home this year may be earlier than usual.

Baptismal ceremonies were held at 6:30 Friday evening at the Catholic Church here for the six months old daughter of Mr. and Mrs. Carl Bechdolt Jr. of Tahoe City. Father P. J. O'Neill of Truckee officiated. The godmother, Mrs. Michael Lenihan of San Francisco, was present in her ceremonial capacity, and her husband stood up for the official godfather, Walt Whitman of Pittsburg. Mr. and Mrs. Lenihan, with their two children, were guests of the Bechdolts over the weekend.

Mrs. C. Clark, who has spent the past winter here at the home of her daughter, Mrs. Earlene Brumbaugh, left Tahoe last Thursday on her way to Portland, Ore. She planned to spend some time there with her son and his wife who, on March 5, became the parents of a baby boy.

Mr. and Mrs. Bruce Wright of Lake Forest, with their four children, motored to Auburn during the past weekend to pend a few days with relatives. Mrs. Wright is the former Miss Flemming of that city and her family still resides there. The Wrights were married at Tahoe in 1935 at the outdoor Episcopal Chapel and consider Tahoe their home country. They have spent many summers here and, after last summer, they settled in Lake Forest and just stayed on through the winter. Wright operated the county snow plow in that locality during the past winter.

Mr. and Mrs. W. H. Ball, who were wintering in their cottage at Cedar Flat this year, were called suddenly to Santa Cruz during the past week by the passing of the former's father. During their absence they left their two young sons, Wesley and Douglas, in the care of Mr. and Mrs. Phil Geier at their home in Tahoe Park.

Guests at Tahoe Inn over the past week included Mr. and Mrs. F. C. Van Cleef of Overland, Ohio; Mr. and Mrs. J. C. Truxton of Los Angeles and R. Obereick, with his sister and her two children, all of whom are touring the United States from their home in Guatemala. The Obereick party all liked it so well here that they decided to extend their stay for several days. The Truxtons, who are photographers, found Tahoe picture material here at 5:30 a.m. when they arose with their cameras to see the lake, like a huge mirror, reflecting every distant mountain and nearby treetop. They were so enthralled that they stayed on an extra day and took pictures right and left.

Joe and Marie Henry of Tahoe City Garage spent some time on the past weekend on a motor trip to Sacramento. Son, Al Jr., very ably looked after business in their absence as usual.

Tahoe City's project for a sanitary sewage disposal system, which has encountered many obstacles during the past three years of its formation, still has a good chance of realization in the near future, according to C. W. Vernon, president of the Tahoe City Public Utility District. The directors of the district met with their sanitary engineer, E. A. Johnson, at his Sacramento office last Thursday to review plans for the treatment plant. This is being done with a view toward bringing the cost somewhere near the bond issue of $126,000 which was approved by the people last June. Bids for construction were called for and opened on August 15 but had to be rejected at that time because they were higher than the amount of funds provided for construction. Rejecting the construction bids made it necessary to also reject bids on the purchase of bonds. This caused a long delay in the procedure of the project. Vernon said a number of parts in the treatment plant have been listed as possible deletions without affecting the operation of the plant

This complete story of Pacific Telephone in 1952 is yours for the asking at your Pacific Telephone Business Office.

1952: A Year of Telephone Progress for You

We've been building fast to bring still more service, still better service, to all the Pacific West

At work today in the Pacific West are more telephones than ever before in history. And the service they provide is better than ever, too. For 1952 was a year of progress for Pacific Telephone, as have been all the years since the end of World War Two. Because the telephone is so important to everyone in the West today, we'd like to give you a quick report on this past year... taken from our Annual Report for 1952.

1952 Highlights

- Every day, Pacific Telephone spent half a million dollars on construction.
- *Improvements in wages and related benefits for telephone employees amounted to more than $21,000,000 annually.*
- Total taxes per telephone in 1952 amounted to $37.17. This means an average tax of $3.10 per telephone per month—almost double what it was ten years ago.
- *Microwave radio relay facilities were extended to Portland, Seattle and San Diego ...helping us to handle more long distance calls than ever, and bringing network television to these cities for the first time.*

YOUR TELEPHONE IS ONE OF TODAY'S BEST BARGAINS

New telephones went in fast. More than a million people in the Pacific West applied for telephones during the year. In most cases we were able to install them without delay. Enough telephone buildings, new lines and equipment were built during 1952 to serve the total needs of a new city the size of San Francisco. At the same time, we continued to make the telephone needs of national defense our first order of business. And in both military and civilian service, 1952 was a year of telephone progress. And we'll do all we can to match it in the years ahead

Goes to Hollywood—
Max Bretzfelder of Tahoe City is visiting in Hollywood for an indefinite stay.

Are you a woman who likes to hear her guests exclaim, "Give me the recipe for this, will you—it's wonderful!" Then here are some recipes for you to clip, to make, to serve to impress such friends. Each meets the requirements we think a good recipe should have: it's not difficult to make, uses ingredients you're likely to have, is delicious in an unusual way!

SOUR CREAM ONION PIE

3 tbs. Crystal Butter
2½ lbs. thinly sliced Bermuda Onions
1 cup thick, soured Crystal Cream
4 tbs. sherry
3 well-beaten eggs
Salt, pepper, nutmeg, thyme, mace, cloves
Pie crust for 9-inch pie pan
4 slices bacon

Cook the onions gently in the Crystal Butter until almost transparent. Remove from heat and cool. Stir in the Crystal Sour Cream and the sherry, add beaten eggs and season well with salt and pepper and dash each: nutmeg, thyme, mace, cloves. Line a 9-inch pie pan with flaky pie crust, fill with the onion mixture and top with the bacon, cut in 1-inch squares and bake in a moderate (350°) oven until filling is firm and crust delicately browned. Serve very hot as main dish for a luncheon.

* * *

To make your luncheon complete serve a moulded gelatine salad made with fruits and Crystal Cottage Cheese; hot muffins and Crystal Butter, and for dessert the elegant Flavor-of-the-month, Crystal Pistachio Nut Ice Cream. St. Patrick's own color!

NEW ORLEANS DESSERT

2 cups Crystal Cottage Cheese
3 cups soured Crystal Whipping Cream
2 cups confectioners' sugar
1 teaspoon vanilla
Frozen strawberries

This is a dessert featured at a famous restaurant. Beat the Crystal Cottage Cheese on an electric mixer until as smooth as possible. Gradually beat in the sour Crystal Cream. Add the sugar and vanilla and beat until sugar is dissolved. Place in a freezer tray and freeze until solid. Serve with freshly thawed frozen strawberries.

Crystal Cottage Cheese is a gold medal prize winner—and no wonder, because it is not only delicious, it is double-fresh! It's made fresh every day, delivered fresh every day. That makes a big difference in flavor!

by FRAN COUILLARD

Last week's very promising headline in the Sierra Sun about a "Booster Booth" proposal should not only be given plenty of thought but should be encouraged in every way possible. For its furtherance we propose that a council be formed with members elected from the Donner U. S. 40 Chamber and the Lake Tahoe-Sierra Chamber, as well as the Truckee Chamber.

Of interest to the hard-working members of the Truckee C. of C. should be the following:

In 1949 we in the Doner area formed a winter sports committee for the purpose of putting out the folder entitled Donner Skiland. Incorporated in same was the listing of a central reservation bureau for the area bounded by Truckee on the east and Emigrant Gap on the west. (Incidentally, lying in that region are over 3,000 accommodations). Through this central reservation bureau over 1,000 accommodations were booked in less than a month's time. We found that the operation of the bureau was a full time job, for it was our job to channel the requests. A goodly portion of weekend vacationists do not decide whither they are bound until the last minute. If one telephone call can suffice for making a reservation, our chances of securing that reservation are greater than if the seeker is forced to make a dozen calls to find himself and his family beds. Half a dozen calls are going to dissuade our potential visitor, besides depleting his weekend vacation (or longer) fund. There are those who prefer cabins, those who wish the less expensive dormitory type of accommodations, even those who wish to know about camping space.

This most beautiful portion of northern California has long suffered from lack of cooperation between the various areas. Donner Summit with its winter sardine packs is the proverbial deserted village in the summer months. Yet 14 miles away the busy little burg of Truckee overflows with fishing and hunting enthusiasts. Lake Tahoe's beauty is defaced in the winter months with boarded up doors and windows whilst skiing enthusiasts are told, phone wise, in adjoining areas, "Sorry, no accommodations available."

It is no secret that fishing and hunting could be greatly improved in the area we speak of if adequate and functioning sportsmen's clubs were in operation. Highway conditions, deplorable in some sections of our area, need but a good howl to surface the bubbles. Perhaps it's high altitude that makes us apathetic or perhaps the individual operator tied up in the tight litle package of his fluctuating business cannot view the mountain due to his proximity.

Let's forget past shortcomings and unfulfilled dreams and concentrate on the "Booster Booth," where such questions as "Where can I get the type of accommodation ot fit my pocketbook? Where is fishing the best at the present time and what type of bait is being used? Will my car freeze in this temperature? Any maps of the area? Have you a sticker for my windshield?" and on and on. The running of the "Booster Booth" would be a full time job but an interesting and worthwhile one. So what think you of a Sierra council group? Patterned on the state chamber of commerce set-up, in a modest way, it could be broken down into divisions for the promotion of recreation, housing, publicity, fish and game, history, etc.

But enough of philosophizing!

The Donner Trail Memorial Race committee started in laboring at a late date with tongue in cheek. After last winter's blockades and unprecedented snow walls, we believed we'd never get to the point of praying for more snow. We had to revise our decision. We cannot say we were not basking in and loving every minute of sunshine that have had hitherto been denied in winter months but our slopes needed a new carpet and quickly. We've lately been enjoying spring skiing that we shouldn't be enjoying for a few weeks hence. Forerunners on the Donner Trail race coure tell us to go ahead with the mailing of application blanks and the necessary hard work that it takes to make this race a success. Trophies are on hand, cards are on display and the necessary preparations are being made. The original date still stands: March 21. Party

A Difficult "Situation"

Did you see that "Classified Ad" last week? The one that wanted a farmhand who had to be "an expert agriculturist, sheep herder, tractor driver, bridge player," *plus* being "an authority on chemistry and mathematics"?

Slim Thomas, who ran that ad more or less as a joke, called and said, "I got 23 answers and almost every one claimed they could meet *all* those qualifications! That means I want to keep the man I have—'Handy' Peters.

"He was thinking of quitting but now I've *got* to talk him into staying. Handy never pretends to be an expert, he's just a good all-around hired hand."

From where I sit, Slim's smart to be wary of people who consider themselves to be all-around "experts." Some folks will "expert" on anything—from the clothes a man should wear to whether he ought to drink beer or buttermilk. Personally I don't want to "classify" myself as knowing all the right answers.

night for fund raising purposes moves up to March 18. Our first applicant is Milt Hogle, manager of Soda Springs Ski Corporation. Milt enters the veterans class. Max Williamson, Big Bend forest service ranger, plays around with the idea of entering. We foresee a huge junior division this year, with kids running the course from Donner Summit to Soda Springs. We haven't any women entries as yet (women run from Donner Summit to Rainbow Tavern). Last year's entry, Pru Crosby (now Mrs. Don B. Smith) isn't sure she can make it. The mother of her seven Samoyed pups was found dead by the roadside, evidently the victim of a hit and runner recently, and Pru and Don are busy bottle feeding the offspring who are doing fatly and nicely, thank you. First woman entrant of the DTMR (year of '49) Maria Schuster Patten finds herself at home from the hospital with Kim David, born on Lincoln's Birthday. Ellie Anderson, a last year runner up, doesn't say aye or nay as yet. Champion Sharon Gardner of Eugene, Oregon, Tri-Pass championship team of cross country steppers, will not be with us this year for she too steps out of the field of competitive sports and prepares for motherhood. Sharon dropped in to see us last summer with her hubby, and we're sorry we've forgotten his name. A letter from Port Angeles, Wash., informs us that six members of the Olympic Ski Club of that area will compete this year.

We'll be seeing you at the party. All mountain operators fasten their doors on Donner Trail party night. All operators donate wonderful salads, hams, turkeys and the good things that take to make a super-duper buffet which is included in your fifty-cents admission ticket. All proceeds go to the Donner Trail Memorial Race promotional fund.

We mention another party—a small one that was not particularly festive for it was a farewell banquet. Well known, jovial and popular Bud Horak was guest of honor and host was his long time friend and boss, Bill Rutherford. A group of intimate acquaintances were hurriedly brought together when Bud announced he would leave the area in a few days and the small banquet got underway. Bud and Betty and family will now be residents of the Bay Peninsula and whilst Betty labors at home packing and getting ready to move her belongings, Bud is already on the job.

Donner Summit Lodge plans a shamrock party for next Saturday night, seeing as how it's nearing St. Patrick's Day. Haven't full details but note that green accessories for tables are being brought in—and of course there's always tossed green salad and creme de menthe.

Lauren Woffard of Kingvale, who had an arm operation and then fell over his dog, limped around on a cane for awhile with arm in sling. After limping long enough, Woffard returned to the Fresno Vets' hospital for his check-up and x-rays found two breaks in the leg he was favoring with the cane. So now Lauren is casted on the other end too.

Saw Byron Johnson at Donner Summit Lodge the other night. By, reared in these mountains, laments th efact that he "hardly knows a soul anymore" but that didn't interfere wih his skiing.

Brant Chaplin of Soda Springs Hotel returns home after another stay in the Tahoe Forest Hospital at Truckee.

Big doings at Auburn Ski Club last Sunday brought Tec and Jerry Carpenter to Soda Springs. Tec (Mrs. Carpenter) to visit with us and Jerry to take pictures of the ski jumpers at Cisco. Jerry, who is head of the state chamber's recreation division, thought the idea of the "Booster Booth" a fine one, incidentally.

Movies of the 1952 Silver Belt ski races at Sugar Bowl were shown recently at Donner Ski Ranch, Soda Springs Hotel and Donner Trail Elementary School, featuring several of the best skiers in the nation. The film was secured through the courtesy of Kay Starratt, Sugar Bowl activities director, and the Edi Aro Ski School. Incidentally, Bud Zorich, instructor at Ski Ranch, says this season has been one of the best for ski schools, with large crowds still holding and he expects capacity crowds all over the hill for Easter week.

NORTH TAHOE

by THELMA BURROUGHS

Our thanks to Judge Harry Charrison for the fine job he has done of reporting for North Tahoe for the past three or four weeks. Last week the judge was asked to tell you through our columns that it is possible for North Tahoeites to secure, through their incorporated clubs, group insurance that will provide wide coverage for surgical and hospital care at an established rate. Those interested in such insurance should bring the matter to the attention of your various clubs in an effort to create enough interest to have the subject discussed at the next meeting of the North Tahoe Council of Organizations. A representative of a reliable company with a group expert will come before the NTCO upon request to clarify necessary procedure. You are invited to either drop a card or call Judge Charrison or The Burroughs for further information or to express your thoughts along this line. Certainly good group insurance is preferable to an individual surgical and hospital plan and worthy of your serious consideration.

Mr. and Mrs. Jerry Cornell of Cornell's Sportsman's Port, Tahoe Vista, blew in last Monday night just a few short hours ahead of the van which brought their furniture. Although momentarily in the grip of a storm, they're glad to be home and look forward to some of that fine weather they've been hearing about.

Mae and Bob Critchley were called to Oakland last week to the bedside of Bob' mother, who passed away Sunday night. The senior Critchleys will be remembered in conection with Sandy Beach Hotel where they had been employed for several summer seasons. Mrs. Critchley acted as reservation clerk, helped out at the post office window, in the store, with the books and in any capacity that fell her lot, with a pleasant and kindly attitude toward all with whom she came in contact. This community extends sincere sympathy to the bereaved.

George Phillips of Sandy Beach Hotel is up looking after the place while Bob and Mae Critchley are away.

Peg and Earl Nelson wandered back into the fold last Sunday after spending two moths at Cathedral City. In the face of our blustery weather, Earl says he'd like to go back down there for another month.

Ruth Lavery and Mary Abbott spent a few days at Sacramento last week.

Saw Bertha Ballard at Dr. Nessim's office in Kings Beach. Carroll has had his share of flu with a touch of pneumonia and had to make sure it would be okeh for him to accompany his parents to the boat show in San Francisco last Friday.

A recent letter from Florence Miles reports she is making progress with her plans for that day nursery, which should be ready for operation right away.

Word comes from Hanna Jensen that they are enjoying the sunshine at Monrovia but still long for home at Tahoe. Little Harry, three years old last December, is growing like a weed. JoAnn is in junior high school now. The Jensens were expecting Miss Ann Blaue out for a visit. There's another Tahoeite who'll soon be heading back for the hills. Hanna, do watch out for those chandeliers. efatqlettera"loj pvywl,we nisaa-P

in the immediate future. He said the proposed deletions have been submitted to the state water pollution board for approval. When approved, bids for construction will be called for on a revised bid form. One of the utility directors, E. H. Pomin, was unable to attend the Sacramento meeting. In his absence two Tahoe City residents, A. M. Anderson and Max Porter, sat in with Vernon and Director N. R. Mayfield of the district.

C. W. Vernon, who is also clerk of the board of fire commissioners of the Tahoe City Fire Protection District, advises there will be no election of a commissioner on April 6 this year. He said that since no nomination papers were filed the usual 40 days prior to the election, the commissioners will ask the Placer County board of supervisors to appoint a qualified person to fill the vacancy, occurring with the expiration of the term of Charles B. Cross on April 6. Such procedure is allowed by the state health and safety code. Vernon said there never has been completion of terms in fire district elections since this district was organized in 1942. Harry Johanson was appointed by the supervisors last year and the other commissioner is A. M. Anderson.

At the Tahoe City Rotary Club's meeting on March 3 the club held election of officers for the term which begins on July 1. Howard Guth, proprietor of Tahoe Lodge, was elected president, and Steve Korich of Tahoe City vice president. Denis Sach, the outgoing president, was elected secretary and C. W. Vernon, treasurer. Directors who took office at this time are Vern Bartell and Robert Tonini.

Following the Rotary dinner at this meeting, the members again discussed plans for beautifying the town's public grounds between the southern entrance Y and the northern end of the shoreline commons. It was tentatively decided that about 600 yards of sand will be needed for re-sanding the beach along the commons. C. W. Vernon, on the price-finding committee, reported that one bid on sand hauling had been received at a price of $3 per yard.

Loren Holmwood, who is interested in development of improvement in the vicinity of the Y, recently offered to contribute a rock drain through the Y park area. Such a drain has really been needed there for some time, especially during the wet spring season when the natural beauty of this three cornered park section is greatly imparir by the mud, debris and stagnant water that collects there. The Tahoe Women's Club, as well as other local organizations, have agreed to cooperate with the business firms in and around town in getting together the funds for the general beautifying project to begin early this summer.

The Rotary Club plans on going ahead with its free motion picture shows for Tahoe City area children each week all through March and possibly into April. Last Wednesday's show was titled "The Adventures of Gallant Bess," a horse picture in color.

News from Henry Helm in a Reno hospital, where he was been confined since the accidental spine injury he received about five weeks ago, states that about a week ago he underwent an operation on a disc of the spine and is now reported making faster improvement. He is expected to be able to return to his home within a week or two at most. His wife makes daily trips from her home at Tahoe City to the hospital to visit and cheer him.

The monthly meeting of the Women's Club of Tahoe was held last Thursday afternoon at the home of Mrs. Dorothy O'Rourke on Highway 40 east of Truckee. During the short business session the attendance voted a contribution of $10 to each of the current Red Cross drive and the Cancer fund. A letter was read from the president of the northern district women's clubs, announcing the district convention to be held in Woodland March 25, 26 and 27. Representatives from the Tahoe club are expected to attend the convention on the 25th at which time tri-county reports are to be given by the various clubs. The next meeting of the Tahoe Women's Club will be held at the home of Mrs. Alma Guth at Tahoe Lodge on the afternoon of April 9.

On May 2 an election will be held for two directors of the Tahoe City Public Utility District. The two directors whose terms expire this year are N. R. Mayfield and E. H. Pomin. Directors are elected for a term of four years.

PLANS PROGRESS ON SEWER SERVICE FOR CRYSTAL BAY

Crystal Bay's new sanitation district will have to install its sewer line without financial assistance from Cal-Neva Lodge, owned by Sanford Adler.

The Washoe County commissioners were informed that Adler believes the cost of pumping sewage from the lodge to main sewer would be prohibitive. Attorney Douglas A. Busey, representing a number of establishments at Crystal Bay, gave the commissioners a progress report on the program during the past week. He offered for their approval an agreement which the county would enter into with the North Tahoe Public Utility District, just across the state line in Placer County, Calif.

The agreement was referred to the district attorney for study. After it is signed, the county will advertise for bids on the project. If a suitable bid is received, a method of financing the work will be financed.

It is expected that the sewer will cost between $30,000 and $40,000. Tentative plans call for issuance of assessment bonds to retire the debt.

More than 15 properties at Crystal Bay, including Cal-Vada, Ta-Neva-Ho, Log Cabin, North Shore, Sierra Lodge and Tahoe Biltmore, would pay for the sewer line, which would be connected at the state line with the North Tahoe PUD facilities.

Sewage would be treated at Kings Beach. It would be metered at the state line, with the affected properties paying the California utility district annually on the basis of total flow. Payments would be collected from participants in the Crystal Bay district by means of special assessments. No county funds would be used for the project.

Because Cal-Neva Lodge doesn't intend to participate, the ordinance setting up the district will have to be amended to exclude that business. Busey said he believed the new sanitation district would complete the project despite the withdrawal of Cal-Neva.

It was indicated, however, that Tahoe Biltmore, also owned by Adler, would go along with the project.

PROPERTY OWNERS ATTENTION!

The law requires property owners to file property returns between noon of the first Monday in March and the last Monday in May.

These returns are to be filed in the Assessor's Office at the Courthouse in Nevada City.

Sorry, but the large amount of assessing materials it would be necessary to transport makes it impossible for the Assessor this year to hold any sessions in Grass Valley.

W. L. TAMBLYN, Nevada County Assessor

Veterans are reminded that their applications for exemption must be filed yearly during the above-mentioned period also.

(Continued from Page 4)

formerly of Portland, Ore. Mrs. Skaggs says she is sure they'll never want to leave Lake Tahoe. They were here 12 years ago and unable as the years passed to forget the tantalizing beauty of our sky blue lake.

Emily Peters, sister of Preston M. (Mac) Burroughs, left Tahoe Vista for her home in Chicago last Tuesday.

Harry Stubley was up over last weekend, returning to his winter home in Auburn Monday.

Judge Charrison reports a call from his tonsorial artist friend, Cloyd Sipes, who with his wife, Dorothy, is wintering at Las Vegas, to the effect that they are looking forward to their return to Kings Beach in late April.

In the student speakers contest at the Lions Club ladies night last week, which found William Walker the winner, had as judges H. G. Wells of Reno, John Doherty of Carson City and Howard Newsham of Truckee. By the way, the local Lions will meet at Sierra Lodge, Crystal Bay, each Tuesday at 7 p.m. from now on.

Complaints were made against four local drivers in the court at Kings Beach during the past week for passing a school bus while it was stopped to discharge passengers. This is a very serious offense and can lead to grave consequences, warns Judge Charrison. Paul Silbaugh, driver, states many violators are driving too fast he's been unable to check their licences. When you see the light flashing, stop! The child leaving the bus may be your own, advises the judge.

Mr. and Mrs. Wyman Williams hope to enjoy their Kings Beach summer home for a week before returning to their Pasadena place, where they will stay until spring is really here to stay—and they'll be likewise.

Another card party will be held under the auspices of the Lions Club at the Kings Beach school Tuesday, March 24, starting at eight o'clock. Walter Mandeville and Lee Madden are in charge. Everyone is welcome and refreshments will be served.

Unadell Crawford is spending two weeks in Stockton visiting with relatives.

T. L. James of North Tahoe was elected chairman of the Placer County Taxpayers Association at a meeting Monday night at the court house in Auburn.

EARL BROWNS ARE PARTY HONOREES

Mr. and Mrs. Earl Brown were guests of honor at a surprise dinner party given by Mr. and Mrs. Wayne Philippi on Saturday evening, March 7, the occasion being their 14th wedding anniversary. Movies were shown and a gift presented to the couple. Guests included Mr. and Mrs. Hank Gall, Mr. and Mrs. Garing McGee, Mr. and Mrs. James Cooper, Mrs. Lucille Davis and Frank Quilici.

LAKE LEVEL

TAHOE CITY— The lake level Monday morning at 8 o'clock was 6227.46 feet above sea level and there were 29 inches of hard packed snow on the ground at Tahoe City, according to A. E. Frodenberg, official meteorologist.

Daily high and low temperatures for the preceding week were:

March 2nd: 29, 12; 3rd: 36, 11; 4th: 45, 18; 5th: 47, 19; 6th: 47, 22; 7th: 50, 22; 8th: 48, 23; 9th: low, 24.

MARCIA LEAMON FETED AT PARTY

Marcia, daughter of Mr. and Mrs. Robert Leamon, celebrated her sixth birthdate on Wednesday, March 11, with her schoolmates in the kindergarten class of Miss Patricia Meddaugh. Mrs. Leamon took a decorated cake and other party appointments to the school to be shared by the small friends of the honoree.

At Santa Monica—
Ralph Stanley of Tahoma expects to remain in Santa Monica until around May 1, when he will return to Stanola Lodge.

Tuesday Birthdate—
Alberta Cooper observed her birthdate Tuesday, March 10.

THREE INJURED IN AUTO ACCIDENTS

Three motorists were injured in two accidents this week, the highway patrol reports.

William Y. Showler, 28, Sacramento, and Antonio Dominguez, Truckee, had minor injuries after a car driven by the former overturned on the highway four miles east of here. Patrolman William Gautsche cited the driver for driving without due caution.

Cassius H. Wood, 38, Tracy, was treated at the Tahoe Forest Hospital for injuries received when a car he was driving went over a bank near the junction of Highways 40 and 20 Monday night. Patrolman Carroll Maynard made the investigation.

EDGAR RICE BURROUGHS Tarzan

SELECTED BY KING ORAN TO FIGHT FOR LIFE IN THE ARENA, THE APE-MAN WAITED GRIMLY AS TWO SNARLING LIONS CHARGED TOWARD HIM.

WITH BESTIAL CUNNING THE TWO LIONS CIRCLED, FORCING THEIR PREY BETWEEN THEM. TARZAN SAW BUT ONE CHANCE; HE QUICKLY HEAVED HIS KNIFE INTO ONE CAT'S CHEST---

THEN PIVOTED IN TIME TO WARD OFF THE OTHER'S SNAPPING JAWS!

ROLLING, TWISTING, TURNING, TARZAN FOUGHT AS SAVAGELY AS HIS FELINE ADVERSARY. FINALLY THE BRUTE SCREAMED, THEN COLLAPSED--- ITS NECK WAS BROKEN!

CHEST HEAVING, FLUSHED IN TRIUMPH, THE JUNGLE LORD ELECTRIFIED THE CROWD WITH HIS HIDEOUS, APE-LIKE CRY OF VICTORY! "YOUR PROWESS IS SO AMAZING," MUSED ORAN, "THAT I MUST ADD ONE MORE REQUISITE TO YOUR FREEDOM-- BRING ME THE FATHER OF DIAMONDS FROM ZOBIA!"
